Grow a seed

Found a seed in the fruit,
To keep, keep, keep
But the seed in the pot
to sleep, sleep, sleep
Than wait for the seed,
To peep, peep peep
when the plant is ready
you can leap, leap, leap.

Fruits I like

Apples, apples very sweet !
Always very good to eat !
Oranges, oranges very juicy !
One for me and one for Lucy !

I am a Tree

I am a tree,
with leaves so green,
watch the rain
make them clean
I am a tree,
with fruit so sweet
watch the birds
eat and tweet.

TIPS FOR THE MOTHERS :

DEAR MOTHERS,

- Take help from your child in pouring water in the glass from the jug while dinner time.
- Gift a pot and few seeds to sown this to children's day.
- Ask to take care of it. Let him be the part of taking care to nature.
- Read some holy books infront of your child, so that they gain some knowledge.
- Visit to fruit vendor and take your child's help in buying fruits. Show and tell them about different fruits.

मीठे फल !

मुझको अच्छे लगते फल !
मीठे मीठे ताज़े फल !
सभी फलों का राजा आम !
सभी करते उसे सलाम
सेब जो भी खाता है रोज !
उसको नहीं डॉक्टर की खोज !
लीची, तरबूज जो भी खाता !
सारी गर्मी दूर भगाता !
फल खाना है अच्छी बात,
देते ये बीमारियों को मात !

चूहे जी की शादी है !

चूहे जी की शादी है...
आज बुलावा आया है
पौं पौं बैंड बजाएँगे
दुल्हन चुहिया लाएँगे
मम्मी मुझको कपड़े देदो
मैं शादी में जाऊँगा
खूब रौब जमाऊँगा।
